The police are a constituted body of persons empowered by a state to enforce the law, to protect the lives, liberty and possessions of citizens, and to prevent crime and civil disorder. Their powers include the power of arrest and the legitimized use of force. The term is most commonly associated with the police forces of a sovereign state that are authorized to exercise the police power of ...

In October 2006, "Police Officer Recruitment: A Public Sector Crisis," was published in Police Chief. The article identified a number of issues impacting the recruitment of police officers including an anticipated increase in the number of vacant positions directly related to baby boomers preparing to retire and the wars in Iraq and Afghanistan syphoning off potential recruits.
