A Contribution to the Critique of Political Economy (German: Zur Kritik der Politischen Ökonomie) is a book

by Karl Marx, first published in 1859. The book is mainly an analysis of capitalism and quantity theory of money, achieved by critiquing the writings of the leading theoretical exponents of capitalism at that time: these were the political economists, nowadays often referred to as the ...

A Contribution to the Critique of Political Economy

The science of Political Economy rests upon a few notions of an apparently simple character. Utility, wealth, value, commodity, labour, land, capital, are the elements of the subject; and whoever has a thorough comprehension of their nature must possess or be soon able to acquire a knowledge of the whole science.

The Oxford Handbook of Political Economy surveys the field of political economy. Over its long lifetime, political economy has had many different meanings: the science of managing the resources of a nation so as to provide wealth to its inhabitants for Adam Smith; the study of how the ownership of the means of production influenced historical processes for Marx; the study of the inter ...
