Oral literature or folk literature corresponds in the sphere of the spoken (oral) word to literature as literature operates in the domain of the written word. There is no standard definition as folklorists have varying descriptions for oral literature or folk literature but a broad conceptualization refers to it as literature characterized by oral transmission and the absence of any fixed form.

African Writers Series (AWS) is a series of books by African writers that has been published by Heinemann since 1962. The series has ensured an international voice to major African writers including Chinua Achebe, Ngugi wa Thiong'o, Steve Biko, Ama Ata Aidoo, Nadine Gordimer, Buchi Emecheta, and Okot p'Bitek. The emphasis is on Anglophone Africa, although a number of volumes were translated ...

ABSTRACT The International Criminal Court (icc) aims to promote not only justice, but also peace. It has been widely criticised for doing neither, yet it has to contend with some severe structural and political difficulties: it has limited resources, it faces institutional restrictions, it is manipulated by states, and it is criticised for an alleged selectivity in the way it dispenses justice.
