Life on Mars is a British television series broadcast on BBC One between 9 January 2006 and 10 April 2007. The series combines elements of speculative fiction and police procedural, featuring a present-day police officer from the Greater Manchester Police (played by John Simm) who wakes up in 1973 after being involved in a road accident. The title is a reference to David Bowie's 1973 single ...

Will it increase competition between medical schools and between students? The GMC admits that it will be possible to rank each student on the basis of their performance in the exam, but it is unclear whether this information will be shared with medical schools or the public. Introducing league tables of performance in the UKMLA could increase competitiveness between medical schools, and they ...
